

ADITYA PALNITKAR

adityap@utexas.edu

512-666-8050

Education

August 2014 – May 2018 (expected)

The University of Texas at Austin

Austin, Texas

BS Computer Science

Fall 2014: "Introduction to Programming"

Projects

Corruption Free India

Nov 2011

- Created India's first website that enabled citizens to anonymously report instances of corruption via SMS or email
- The website received over 2000 reports and 80000 page views in a span of six weeks
- Set up an automatic text message forwarding function and integrated it with Blogger's post-via-email to aggregate reports on a webpage

Amazing Airlines

Nov 2010 – Aug 2012

- Authored the world's first aviation book written specifically for teenagers and young adults
- Took two years and over a thousand hours of research and interviews before completion

Interests

- **Travel** - Over the years, I have visited 37 countries worldwide
- **Aviation** - My passion for aviation was what led me to start writing Amazing Airlines in 2010
- **Languages** - I speak English, Hindi, Marathi and basic German. I can also read Cyrillic and Korean scripts.
- **Table Tennis** • **Android** • **Economics**

Skills

Exposure to:

Java

Social Media
Blogging Platforms

Experience

Postermania

Dec 2012 – Feb 2013

- Co-founder of India's premier custom poster printing company
- Created website www.postermania.in
- Set up functionality that forwards order details and uploaded images from an online form to printing location
- Co-ordinated with courier companies to ensure on time delivery

Volunteering, Leadership and Awards

Action for Pune Development

Dec 2012

- Worked with a local student organization and participated in activities that included traffic management and volunteering at an orphanage

Brain Kick

Jan 2013

- Organized and hosted state's first soccer quiz that attracted over \$1000 in sponsorship and saw participation in large numbers

Horlicks Wizzkids

Sep 2011

- Won the city round of an international competition and went on to win 5th place at the South Asian finals, beating over 5000 other participants
